

## DALGETY BAY HORTICULTURAL SOCIETY (DBHS)

The following are the benefits enjoyed by members of the Society:

- 1 Meetings are held, often with guest speakers, usually on the first Friday of each month, in Dalgety Bay Community Centre, with light refreshments and a raffle to follow.
- 2 Our Annual Cheese and Wine evening is in February, our Gardeners' Question Time and Annual Plant Sale in May, our Annual Show is in September and the Society AGM is held in December. An annual coach trip is also organised to visit a local garden of interest and/or the Gardening Scotland show at Ingliston.
- 3 Members can purchase seeds from the catalogue circulated at the end of each year. All seeds are then purchased in bulk at discounts.
- 4 Garden chemicals, composts and other growing media, organic products and seed potatoes can be ordered through the Society at the beginning of each year, also with bulk discounts.
- 5 Bedding and vegetable plants can be ordered each spring at very competitive prices from a local supplier.
- 6 The Society has equipment available for members to use free of charge. This includes a hedge trimmer, petrol strimmer, garden vac, tree lopper, shredder, hollow tine fork, and pressure washer. Free manure is also available to all members to be collected from the allotments.
- 7 Canes, plant labels, fleece, polythene and other sundries may be bought at a discount.
- 8 We publish a monthly newsletter, the Grapevine, which is sponsored by Peter Vardy Cars. Partnership discounts at Peter Vardy Cars are also available to DBHS members.
- 9 The Society administers the allotments in Dalgety Bay, of which there are 48. To qualify for a new allotment and to go on the waiting list for an allotment, you must be a member of the Society and be resident in Dalgety Bay or Hillend. The annual fee for an allotment is currently £11, which is paid over and above the membership fee of £4.00 per annum.
- 10 The Society's Gardener's Question Time runs in parallel with Dobbies.
