Dear Visitor,

This year, the show is on 10th September 2022, the second Saturday of the month. Horticultural Shows are normally set in stone but sadly we learned that Cowdenbeath Horticultural Society will not be running a show this year and may never run a show ever again. By moving the DBHS Annual Show from the 1st Saturday of the month to the 2nd Saturday of the month, it gives us a chance to coincide with the new Dalgety Bay Farmers Market. Running our Show with the Farmers Market will perhaps increase the footfall to both events and therefore be a benefit to both events.

There is a new trophy this year to be presented in the Nursing and Residential Section. The trophy is from Graeme Brown, Joinery, who sponsors that section.

DBHS will not run their Farmers Market because of the official Farmers Market being run by Dalgety Community Trust. September will be its' 6th month, so it should be well bedded in by then.

Show judging will start at 10:00am and the show itself will open at 12:30pm. The tea-room is being run by the Gala Committee. They have done an absolutely fantastic job over the past few years of the show, so I am sure that this year will be no different.

There will be the Chairman's bottle raffle. Make sure you buy your tickets for the chance to win a nice highland single malt called Dalwhinnie Winter Gold. For you puzzle people, there is a "Cities of Great Britain" Word Search on page 31. There are 47 British cities for you to find, with seven of them duplicated.

The Sub Committee have been busy picking the classes for many of the Sections. The Schools have been busy designing the poster, writing poems, growing sunflowers and growing tatties in barrels. See the results in the Schools Section Hall in the Kabin. The sunflower charts are in Hall 2, the Vegetable Hall, in the church.

This year, as always, we have some new sponsors and advertisers. Fife Council gives a grant to help run the show and the Community Council provides funds by sponsoring the Schools Section, which is open to the two schools in Dalgety Bay. In fact, all our sponsors help greatly by sponsoring a Section or Sections in the Show and all our advertisers too, help provide funds required to run the Show. We could not run the Show without their help. Our sponsors are listed in the Schedule.

If you are not a member of DBHS, have a look at the page before this and consider joining. We have a meeting of interest each month and we organise bulk ordering of seeds, we run a coach trip "by car" to some local place of interest each year. We also have around 50 allotments. Join DBHS today for nothing. Hand the form in at the show office.

The Recipe 3 Cheddar & Lavender Scones

Ingredients:

80g self-raising white flour	150g Cheddar, grated
100g self-raising wholemeal flour	175ml full fat milk
65g malted bread flour	1 egg, beaten, for brushing
Pinch of salt	Plain flour for dusting
1 tbsp finely chopped lavender	

Method:

Heat the oven to 220c. Mix the flours together in a bowl. Mix in the salt, lavender and 100g of the grated cheese. Add most of the milk and mix until evenly combined. Slowly add enough of the remaining milk to form a soft paste.

Tip the mixture onto a lightly floured work surface and lightly fold it together to form soft dough.

Gently roll the dough with a rolling pin or flatten with your hands to a rough circle. Cut out 6 rounds using an 8cm plain cutter.

Brush the tops of the scones with beaten egg and sprinkle with the remaining cheese. Transfer them to a baking tray. Bake for 15 to 20 minutes until risen and golden brown.

Prize £5 £3 £2

DBHS TOP TRAY Competition Rules

- 1. The DBHS Top Tray Section is for a collection of three types of vegetable from the following list of eight. The quantity of each vegetable required is given in brackets, carrots (3), cauliflowers (2), onions (3), parsnips (3), peas (6 pods), potatoes (3), runner beans (6 pods) and tomatoes (6). Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: 7 points for size, shape and colour; 7 points for condition; 6 points for uniformity. The overall mark will therefore be out of a total of 60 points.
- 2. All vegetables are to be displayed for effect. The vegetables must be displayed within an area of 18" x 24" (45cm x 60cm), without bending any part of them. No part of any exhibit may exceed the size of the tray. A tray, or board, which is 18" x 24" (45cm x 60cm), can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has an edge, it is the internal measurements that are taken. A black cloth is permitted and the tray may be painted.
- 3. Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand, rings and so on will be permitted. Onion tops may be tied or whipped using raffia or string.

Notes for Exhibitors and Judges:

- Carrots and parsnips must have foliage trimmed to 3" (7.5cm).
- Peas and beans must be displayed with some stalk attached.
- Tomatoes must be displayed with calyxes.
- Judges may handle exhibits, open pods and so on, to check for quality.
- The tray, board or staging must not be cut or mutilated in any way at all, such as cutting holes for standing onions in.
- Judges should use their discretion when judging this Section remembering that entries may come from inexperienced exhibitors.
- The points awarded should be marked on the exhibitor cards.

Hints for Exhibiting

The Schedule:

An exhibitor should read the schedule very carefully, including all the rules. If in doubt, contact the Show Management. It is very important to read what is asked for in exhibiting, not what you think is asked for.

Dates and Times:

All dates and times should be noted, particularly the first and last dates for receipt of entries, times for staging and times for removal of exhibits from the hall.

Allow Ample Time for Staging:

A last minute rush should be avoided as this is when mistakes can happen, like putting too many specimens in a vase, which results in the disqualification NAS – Not According to Schedule.

Labels and Entry Cards:

Labels with names of the cultivars should be shown wherever possible. On arrival at the place of exhibition you should immediately procure entry cards from the Show Office. These should have your name and class number clearly shown and will be placed, face down, next to your exhibit with the class number and any cultivar name shown on the back of the card.

Uniformity:

There should be uniformity in any exhibit and especially in the fruit and vegetable sections.

Absence During Judging: All exhibitors should leave the exhibition halls at the stated time without delay before judging commences and not return until the fixed time for re-admission.

Be a Sportsman: The decision of the judges should be accepted with good grace. An exhibitor, who has failed to get a prize and cannot see why, should search calmly and patiently for the cause of the competitors' success in order to achieve better results next time.

Preparation and Presentation: All exhibits should be staged in accordance with the rules and schedule, and as attractively as possible. In close competition, points for arrangement may be the deciding factor and a judge cannot fail to be favourably influenced by good presentation. Always take a few extra specimens to the show in case of accident. Remove any damaged flowers together with discoloured or broken leaves. Make sure the length of the stalk retained is appropriate for the size of the vase to be used.

Encouragement: We need exhibitors to make the show. How many times have you said "I have better than that at home?" So bring it along even though you have not exhibited before. We will be only too happy to help and advise you.

We won't be beaten on price!!
