Special Trophy to mark the Queen's Jubilee: Pauline Willox.

Our sponsor this year was Alan Brown from The Wee Glasshouse. Alan has been a Sponsor and Advertiser in the DBHS Annual Show Schedule for a few and did a good job presenting the trophies. He was presented with a replica of the

Sponsor's Choice Trophy. The Young Gardeners and Young Photographers trophies were presented by members from the Gala Royal Party. They also carried out their tasks with great dignity. The Gala provided a voucher for the winner of the two sections they presented.

There was a minute silence held in respect of the Queen at the Trophy Presentation and exhibitors were asked to leave flowers behind if they were not going to be used. These flowers were used to decorate the War Memorial at the church, again as a mark of respect. My thanks to Veronica Simpson for doing this.

There were no completely correct entries for this year's Word Search and there was no Chairman's Bottle raffle this year because I did not get a volunteer to run it for me.

It was a successful show and really nice to get back after the covid years. Entries were good, the weather was lovely and stayed dry right through so that the gazebos used went way dry. There were

plenty of visitors and many compliments about the show were received. We had just five gazebos with traders and they all seemed pleased enough. Once again, the Gala Committee ran a very successful tea room. It always seemed busy when I was in there. They will be asked to join us again next year. Let's hope it will be a long and happy partnership. Thank you to all the volunteers who helped and thank you and well done to all the exhibitors. We will see you next year.

Our next meeting is a talk on Dahlias by John Jack. This will take place on Friday 7th October 2022 at 7:00pm in Dalgety Bay Community Centre. Come along. You will be welcome.
